## JUDGE OF AWARDS

Judy Perry, 2020 Members Open Exhibition - Best of Show Winner

### About Judy:

I was introduced to pastels 25 years ago when I was primarily working in watercolor and the medium still astounds me. For me pastels are responsive, adaptive, addicting, delicious, frustrating and challenging all at the same time. From hyperrealism to abstraction its only limits are in our hands. After, reaching goals of Signature Membership status with a number of Pastel Associations and achieving Master Circle Level with IAPS, I still say I work at working with pastel. I respect the medium but do not feel I've mastered it. I live and create in Old Saybrook, CT. More about me at [JudyPerryArt.com](http://JudyPerryArt.com). Keep your hands covered with pastel dust and your eyes just above the horizon as we attempt to create our way forward.
